

Ducks and Ducklings News Letter Autumn 1 2017

Welcome

We would like to take this opportunity to welcome all our children and families to Thrybergh Primary School. All of our children have now begun school and their lovely journey of school life is ahead of them. We hope your child is enjoying their school experiences as we are enjoying getting to know all the children and learning all about their little characteristics.

Our topic for this half term is All About Me!

We will be learning all about our rules and routines, making new friendships and exploring our new learning environments. We will be learning various Nursery Rhymes through songs and stories and thinking about the use of rhyme and alliteration. We will be talking about what makes us special.

Don't forget to visit our page on the school website to see what we have been learning.

Reminders for this half term:

Attendance

As the name suggests 'Foundation' is the solid base on which your child builds a multitude of skills and knowledge. With this in mind it is important for them to attend school on a regular basis. To encourage this we will be giving out stars to each child who has 100% attendance and no late marks for the previous week. The children will then be put in a draw to take home School Bear. At the end of each term the children will be able to visit the attendance shop to swap their stars for a fantastic prize.

Wow Certificates (In Cloakroom)

We would love to recognise your child's out of school achievements and encourage you to complete a Wow Certificate letting us know how fabulous your child has been. Please see our notice board for ideas of evidence we are collecting to support your child's learning and development. All evidence will be recorded and used to for planning your child's next steps.

Library

Wednesday is our library day. Each week your child will be able to choose a library book with you when you bring your child to school. You are then welcome to stay and play, share a story with your child.

Names

Please help us to help you by naming all of your child's clothing and shoes. This helps us to locate items of missing clothing quickly and efficiently.

FS2 - Wednesday will be our PE day. Your child will need a white T shirt and Black shorts.

FS1 - Will not require a PE kit as we carry out all our physical educational while exploring our outdoor area and through Action Kids

Baking/Snack

Each Monday you have the opportunity to make a £1 voluntary contribution to support these activities. During these activities the children develop their social skills, communication and language, number and many more.

Please feel free to talk to us if you have any concerns or queries regarding your child. We look forward to sharing the year ahead with you.

Best wishes
Foundation Staff
