Dear Parents/Carers,

Just a quick reminder to say that school is closed **today for two weeks**. We are back on **Monday 4th April**, after the Easter break.

Even though this has been a very short half term, we have had lots of wonderful things happening in school. Last Monday, Foundation held an Easter Day where children took part in an Easter egg hunt. Easter Bunny also made a special appearance! KS1 have been imagining what it is like to live on a desert island, Classes 3 and 4 have been writing crazy explanations about how the Great Oak Tree came in to existence, following their recent trip to Sherwood Forest, Class 5 have been making inflatable lungs using drinks bottles as part of our Family Learning session and Class 6 have been working really, really hard in preparation for their SATS. Year 6 have also been learning about dragons, creating their own, unique dragon egg!

We also had a brilliant assembly led by the Football Freestyler, he taught all the children some amazing tricks!

Have great Easter holiday!

What's been going on?

World Book Day was a great success; there were some brilliant costumes! See the website for photos.

We also had a Football Freestyler in school showing off his skills during assembly. Each class had a session with him and they were also allowed to show off their skills! The children loved it!

Last night we held our annual Easter disco, all the children (and staff) 'loved throwing a few shapes' on the dance floor. Thank you for all who attended.

Goodbye & good luck Mr Dawson – you'll be missed!!
