Dear parents/Carers

Thank you so much for your Children in Need donations. We had a fantastic day all dressed up selling buns and made a whopping £245.47!!!

Children in Key Stage 2 had a fantastic time watching Annie at the Vue Cinema in Doncaster. This was a reward for filling the ‘Values Jars’ with beads. On Monday, the hall will be turned into a cinema for FS and Key Stage 1 to Hotel Transylvania.

Classes 3 and 4 took part in a Family Learning project and designed mini-bins which were very impressive indeed. Classes 5 and 6 also took part in a Family learning project using construction apparatus to build mineshafts. A huge thank you to all the parents who came to support this, it’s great having you in school!

**Don’t forget to check our website for further information and photographs!**

It has come to my attention that we have several children in school with a Facebook account. Facebook requires everyone to be at least 13 years old before they can create an account. Creating an account with false information is breaking their terms and conditions and is putting your child at great risk. Further information regarding safety can be found on our website and a leaflet will be sent home next week.

## Congratulations!

Well done to these children for getting a special mention in our Celebration Assembly for fantastic work and behaviour!
