Dear Parents/Carers,

Lots of super things have been happening once again here at Thrybergh Primary.

Children in foundation have been learning all about minibests, and I've seen some wonderful counting and model making too.

Class 1 has been trying to find out who stole the vegetables from Oliver's garden. They had to interrogate several teachers to find out who was guilty, but I'll let them tell you who it was!

Classes 3 and 4 had to write a letter to persuade me to allow them to go to seaside. They were all very persuasive and in the end, I did let them go! It sounds like they all had a great time even though it was a very cold day!

Class 5 have been making Viking longboats and writing biographies.

Classes 2 and 6 are still working extremely hard in preparation for their forthcoming SATs. It will all be over soon!

And finally...Mrs Smith will be finishing on Thursday to start her maternity leave. We would

like to wish her all the very best!

Have a great bank holiday weekend!

## Congratulations!

Well done to these children for getting a special mention in our Celebration Assembly for fantastic work and behaviour!

Thank you for your support in making sure the children are wearing the correct uniform.

They really do look smart.

Can you please make ensure that children are not climbing on the walls and railings around school.

Thank you
