Free School Meals Application Form For Pupil Premium
Claim Extra Money For Your Child's School

From September 2014 all children who are in reception, year 1 or year 2 in a state funded school will be offered free school meals. This means that you do not have to apply for the actual meal.

However, if you receive a qualifying welfare benefit (see the qualifying conditions below) and your children receive an education at a school maintained by the local authority you can help the school get extra government funding. This is known as a Pupil Premium Payment and helps the school provide extra tuition, learning assistants, after school clubs etc.

To obtain this payment for your child's school, please complete the form below and return it to us as soon as possible.

Note : This applies whether or not the qualifying child actually takes free meals at the school.

1. QUALIFYING CONDITIONS?	Free School Meals are provided for school children if either themselves or their parent or guardian have been granted;
