

## Robins News Letter

Friday 8<sup>th</sup> September 2017

Dear Parents and Guardians,

Welcome back! I hope you have all had a fantastic summer!

We have had a brilliant first week in Robins Class (Year 1). The children have settled so well into their new classroom and new routines. They have truly been a pleasure to teach this week and I am excited for the year ahead!

This term our topic is Bright Lights, Big City! Up to October half term our learning will be focused around Paddington Bear. In Literacy we will be reading stories about Paddington's exciting adventures in London and in Geography we will explore some of the places he has visited, and the landmarks he has seen. In Art we will be using to clay to create models of our favorite London landmarks and we will also use different materials to create a collage of the Union Jack flag. At some point we will be joining Paddington Bear for afternoon tea for which we will design and make our own delicious sandwiches or scones in D&T.

Don't forget to visit our class page on the school website to see what we've been up to!

**Miss Parkin, Class Teacher**

### Attendance

Children need to be in class ready for the register to be taken at 9:00am. Any child arriving after 9.05am will be marked as late.

Children need to come to school every day and arrive on time to earn two gold stars for their achievement charts. Children will be able to spend these stars at the attendance shop on the last day of term.

### PE

Please note that our PE days are now **Monday** and **Tuesday**.

Please ensure that your child has their full PE kit in school on these days. It is really important that your child's PE kit is named as children often misplace items of clothing when getting changed.

If your child wears an earring, it must be removed before school on PE days or your child will not be able to participate.

### Homework

Children must read for 10 minutes every day. Please record the book they have read and how they read in their homework diary.

Education City homework will also be set once a week. If your child does not have access to a computer or tablet, they may attend homework club at school to complete it.
