**We raised £244.40 for Children in Need. Well done!**

What a busy couple of weeks we've had here at Thrybergh Primary!

We officially launched our new website this week – I hope you've had chance to have a look!

Children in Foundation have been retelling the story of The Gingerbread Man and learning the actions to go with it. Class 1 has been learning about Hansel and Gretel and Class 2 have been busy designing a 'WANTED' poster. Classes 3 and 4 have been undertaking jungle activities and learning to build resilience and to work as a team. Class 5 has been learning about medicine and Florence Nightingale and Class 6 has been learning how to keep healthy. Why not take a look on your child's class page on the website to find out more?

As a reward for filling the blue 'Values Jar', children from F2 upwards visited Vue cinema in Doncaster and had a GREAT time – Thank you Mrs Bull for organising everything!

Don't forget our Christmas Fair, 2pm 2<sup>nd</sup> December. Any donations of raffle prizes would be much appreciated.

Finally, I am increasingly concerned about the entrance to the school. I know there have been occasions when cars have failed to stop on the zebra crossing and this is worrying. Cars are also parking on the double yellow lines and on the zig zags next to the crossing. You can report your concerns as I have, online at [http://www.rotherham.gov.uk/info/200082/road\\_safety](http://www.rotherham.gov.uk/info/200082/road_safety)

Have a great weekend!

Your child should have been given their 'Education City' pass this week. They can log in at home to complete tasks of their choice. Some homework will now be through Education City. There is also a link on the school website. Please ask if you are unsure.
