

## Class Six Newsletter

Dear Parents and Guardians,

What a busy few weeks we have had! We seem to have spent most of our time out on different visits. They have been great experiences though, and we have learnt a lot about animals and their adaptations when we went to Wentworth Family farm and our year six children had a really interesting day at Crucial Crew. In addition to this our outdoor activities day at Ulley reservoir was out of this world!

We would like to say a big thank you to all the parents who came to our family learning session. The insects we made look stunning on display in the classroom.

Class 6 are still trying hard to do 'The Daily Mile'. It's been trickier to fit it in with the deteriorating weather and all our other activities but we do think we are becoming a little bit fitter. Well done everyone!

PE - is always on **Tuesday** and **Wednesday** afternoons. However, it is better to leave kit in school for the week as suitable footwear is needed to do our daily mile. A polite reminder as a lot of Eagles class are forgetting their P.E. Kit

**Homework** - Homework will be given on **Friday** and is to be handed in the following **Thursday**. Also children still benefit from reading with an adult every day as this helps them to become more confident, fluent readers and supports the work they do in school.

**Punctuality** - A polite reminder to everyone -School starts at **8:50am** and we work every minute of the day, so everyone needs to be here on time.

*Thank you again for your continued support.*

*Mrs. Britton and Mrs. Slater*

### Y6 SATS
