A huge welcome to the new FS1 children and parents who started school this week. We hope you have a fantastic time here at Thrybergh Primary!

All the children have been very busy these last couple of weeks getting back into the swing of things. Class 1 have been busy learning about the differences between night and day, Class 4 have been busy making a time capsule to bury in the school grounds and Class 6 have been making a wormery. I look forward to finding out what the children are learning next week!

Classes have also voted for the children they would like to represent them on the School Council. This is an important role as the children get to have their say in some of the important decisions made within school.

The School Council children are:

- FS2 – Abbie Daughtry & James Birkett
- Class 1 – Alexa Longden & James Conlan
- Class 2 – Olivia Horton & Reagan Skidmore
- Class 3 – Kizzie Kirby & Ethan Flannagan
- Class 4 – Olyvia Markham & Evan Rowlands
- Class 5 – Mia Cowley & DJ Dolby
- Class 6 – Hayley Doman & Harvey Arnold

The Council has already been busy deciding the new school values. These can be found at the bottom of the page. This week our assemblies have been focused upon the children understanding these values. Children are rewarded when they demonstrate these values in and around school.

On Wednesday we had a special assembly promoting the 'Walk to School' scheme which starts Wednesday 23rd September. This is a national scheme and children can collect badges for walking to school. Further details can be found at:

Please remember to remove children's earrings on PE days. Even if children have newly pierced ears, the Local Authority insists earrings are removed. If this isn't possible, children are not allowed to take part.

Can you also please make sure your child doesn't bring their bike to school. Thank you.
