Dear Parents/Carers,

What a cracking start the children have made to the summer term!

The next few weeks are going to be extremely busy in school. In and amongst all the usual learning going on, Year 1 children (and some year 2) will be tested on their phonic knowledge, Year 2 have their SATs tests and Year 6 also have their SATs tests. Please make sure your children are getting plenty of sleep and are having a good breakfast – it's going to be pretty tough over the next few weeks!

I would also like to welcome Mrs Rodgers to Thrybergh Primary. She is our new Learning Mentor and will be working alongside Mrs Bull. I'm sure she will be a great asset to the team!

The children had a fantastic 'Values Treat Day' on Thursday. The children and staff really got into the spirit of the topsy turvy day. They played a variety of ball games, parachute games, skipping games and there were also music and cheerleading activities too. Photos can be seen on the website.

Have a great weekend!

Congratulations!

Well done to these children for getting a special mention in our Celebration Assembly for fantastic work and behaviour!
