What a great time we've had at school this half term! We've had educational visits, Family Learning days, after school sports clubs, choirs and music groups. But most importantly, we've had some super teaching, some really exciting lessons and the children are progressing well. It's good to see so many children coming to school on time with PE kits, water bottles and book bags and arriving with a great attitude to learning. You should be very proud of your children!

Last week our school choir performed for the rest of the school during assembly, and they were **AMAZING**. We have over 50 children in our choir which is the largest school choir I've ever known. I'm really looking forward to hearing them sing in our Christmas productions in December!

We are very much looking forward to meeting you all at our Parents' Consultation Day tomorrow. This is a fantastic opportunity for both you and the school to work together to achieve the best outcomes for your child. If you could also take the time to fill in the parent questionnaire that will be available tomorrow, that would be much appreciated.

Finally, thank you very much for your support this half term. You have made our new teachers and myself very welcome in the Thrybergh Primary School community. Have a great half term holiday! Mrs Harrison

Congratulations!

Well done to these children for getting a special mention in our Celebration Assembly for fantastic work and behaviour!
