Class 3 – Theo Hodson & Ricco Zavario
Class 4 – Rebekah Gray & Evan Rowlands
Class 5 – Thomas Hemingway & Jamie-Leigh Smith
Class 6 – Ebony Taylor & Bailey Willoughby

Thank you to all those who attended the Consultation Day last half term. We hope you found it useful and enjoyed looking at your child's work, their classroom and chatting with their teacher. We certainly enjoyed chatting with you all!

I'd also like to thank you for completing the questionnaires. It really is important for us to know what you think about our school and how we could improve. The outcomes were generally very positive, but I would like to respond to a few 'disagrees' and comments.

Website – some responses were unsure about how useful the website was. We try to keep it as updated as possible, but if you have any suggestions please feel free to let either myself, Mr Dawson or Mrs Smith know.

Reading books and phonics – I agree that children should be taking home reading books that support the phonics that have been taught. I am trying to obtain some suitable books so watch this space!

Reading books – Children are encouraged to take reading books home every day. Children are also involved in the 'Books and Beyond' initiative that rewards children for reading.

Start of the day - Unfortunately due to Safeguarding and Fire Safety Procedures, we are not able to allow parents into school in the morning. Mrs Bull is available at the door to pass on any messages to class teachers.

Learning - Next Wednesday, your child's class teacher will be sending home a letter explaining what the learning will be all about this half term. This will continue to happen the first week back of each half term.

Responding to concerns – We do try to respond to concerns on an individual basis where possible and try to work together to find solutions.

Keeping informed – We do try to keep parents as informed as possible by regular newsletters, school website and the text messaging service.

If you have any further ideas or suggestions we would love to hear them.

Mrs Harrison

Class 5 and 6 had a fantastic day at the mining museum. Photos are available on the website.

Lots of children have been arriving late for school. Please make sure that children are here no later than 9am.
