Well that was another busy couple of weeks here at Thrybergh Primary!

Children in F1 & F2 have been learning all about Chinese New Year, class 1 have been writing instructions for how to care for a dragon and class 2 have been thinking about how to catch a dragon.

Class 3 have been designing a 'Dream House' and using this to inspire their writing, class 4 have been using amazing adjectives and persuasion techniques to sell their dream house, class 5 have been learning about the importance of shorter train journeys with the development of HS2 and class 6 have been writing a narrative about a runaway train. Why not take a look at the photographs on the website?

Children are responding really well to our new Accelerated Reading programme. Please keep encouraging your children to read every single day and to bring their book into school.

Sadly, two well-known and respected figures of Thrybergh Primary School have passed away over the last few weeks. Mr Alan Scholes who was a School Governor at Thrybergh Primary and Mrs Pat McCallum who worked in the office for 25 years. We would like to send our condolences to their families.

I would like to extend a warm welcome to Mrs Edmonson, our new class 3 teacher. Mrs Edmonson is an experienced teacher who has joined us from a school in Doncaster. I'm sure she's going to be a great asset to the school!

Congratulations!

Well done to these children for getting a special mention in our Celebration Assembly for fantastic work and behaviour!
