Thrybergh Primary School Newsletter

This Year's INSET Dates

- ♦ 3rd September
- ♦ 5th November
- ♦ 21st December
- ♦ 7Th January
- ♦ 22nd July

Dear Parents,

Welcome to the first Headteacher's Newsletter of this new academic year. I do hope that you all had an enjoyable summer break, although it already seems like a distant memory. I would like to give an especially warm welcome to Thrybergh Primary School parents who are new to our school community, be it with children starting in Foundation or coming into other year groups within the

school. We are in our sixth week of the academic year and the children continue to

impress us with their attitude, behaviour and manners. The children have very quickly settled back into school life. A special mention must go to our Foundation children who have taken to school very quickly.

We look forward to an exciting year at school and one that we know from experience will go very quickly. We will continue to work hard at every point to ensure that the children are well prepared for the next stage of their education academically, socially and emotionally.

We look forward to continuing to face the challenge of enabling children to achieve highly, whilst also providing them with a broad and balanced curriculum in which they are able to develop other key skills and their creativity.

If you have any concerns whatsoever during the year, please do not hesitate to contact me.

Yours sincerely,

Miss R McDermott - Associate Headteacher

Mrs K Edmondson - Assistant Headteacher
