

Class 3 Newsletter

January 2019

Dear Parents and Carers,

Welcome back to a new year and a new topic! Class 3 has started the term brilliantly with good manners, hard work and determination.

Our topic this term is 'Rule Britannia!' This is broken down into three parts: Smashing Saxons, Vicious Vikings and Stormin' Normans. We have already placed the events into the order that they happened. Currently we are learning who the Saxons are and where they came from.

This term, we are going to host an in house immersive event of a battle. Further details will follow closer to the time.

If you have any questions, please don't hesitate to ask.

Miss Whitehouse
Class Teacher

THANK YOU!

Thank you for all your support over the last term whether that has been attending parent consultations, events in school, donating money to charities or supporting the Christmas performance. It is very much appreciated.

P.E.

Our P.E days are Tuesday and Friday.

Please ensure your child has their P.E. kit and appropriate footwear. Also we ask that long hair is tied back.

Friday's P.E. will be on a rotation so every 3rd week will be P.E. This is so that we can fit in other foundation subjects. Their next P.E session will be **25th January**.

SFA: Success for All

You will have received a letter about the launch of SFA in school which is a reading and writing scheme.

But reading at home with your child is just as important, we are currently benchmarking each child to identify which colour is suited to their stage of reading. *Don't forget to fill in the reading diaries.*

Homework

Homework is set every Friday.

It will consist of a spelling activity, times tables and either a maths or writing activity linked to the current learning.

All homework is due back Wednesday and children will receive a dojo. Following our school policy if homework is not completed, your child will lose a dojo and complete it at break time.

If your child is ever stuck, I am happy to go through this with them.

Times tables rockstars

Each child has a login and every week they will practice their times tables in schools but they can also do so at home using this link.

<https://play.ttrockstars.com>

Click the following:
SCHOOL, STUDENT, S65 4JG. Children will then need to type in their personalised login.
