Dear Parent/Carer

As you know, the government has asked primary schools to start re-opening from the 1st June 2020 for Reception (F2), Year 1 and Year 6 students.

We will be initially focusing on the reintegration of Year 6 students, starting with the youngest children in each class/year. Once we have successfully reintegrated Year 6, we will carry out the same process with Year 1.

(Year 6 parents only) In order for us to finalise our plans I would be grateful if you would indicate whether your child will or will not be attending school (if invited) **by replying to this message by 3pm on Wednesday 20th May 2020** [[link to survey here](#)].

Once we have collated all your responses, we will indicate to parents which students are expected to attend school. We will keep you updated of any changes as our provision expands. No student should attend school unless scheduled to do so by the school as part of our key work provision or phased re-opening.

School registers will be taken in line with statutory guidance and contact with home will be made as normal regarding student absence. Current advice and guidance is that no action will be taken against either parents or school regarding student attendance.

Thank you for your continued support.

Yours faithfully

Mrs R Parry-McDermott
