

Thrybergh Primary School

Promoting British Values

DEMOCRACY

Pupil voice is an integrated aspect of school life at Thrybergh Primary School. Our pupil elected School Council play a strong role in our school. They are elected by their class peers and are involved in making our school a better place to learn. Pupil questionnaires and interviews are also conducted regularly. We know that the formation of the School Council and the active participation of our pupils will sow the seeds for a more sophisticated understanding of democracy in the future.

THE RULE OF LAW

Our pupils will encounter rules and laws throughout their entire lives. We want our pupils to understand that whether these laws govern the class, the school, the neighbourhood or the country, they are set for good reasons and must be adhered to. This understanding of the importance of rules will be consistently reinforced through assemblies and our curriculum. We debate and discuss the reasons for laws so children can recognise the importance of these for their own protection. Throughout the year we welcome visits from members of the wider community including police, the fire brigade and many more.

INDIVIDUAL LIBERTY

At Thrybergh Primary School, we work to create a positive culture so that children are in a safe environment where choices and freedoms are encouraged. In lessons, learning tasks are challenging and require cooperation and scholastic endeavour. We encourage children to compete in the belief they have every chance of success. Here they understand they may have to take appropriate risk and may have to congratulate and be proud of a more successful peer on some occasions. We offer a range of clubs which pupils have the freedom to choose from, based on their interests.

MUTUAL RESPECT

Our pupils learn together with respect for each other. We value and celebrate our peers, as evidenced on our website. Every pupil knows that we respect and appreciate each other no matter what differences may exist. Mutual respect is a core value of our vision.

TOLERANCE OF THOSE OF DIFFERENT FAITHS AND BELIEFS

We offer a culturally rich and diverse curriculum in which all major religions are studied and respected. Parents and leaders of different faiths are welcomed to the school to share their beliefs. We believe that tolerance is gained through knowledge and understanding. Through our curriculum and the routines of our daily school life, we strive to become knowledgeable,

understanding and successful citizens who can build a better Thrybergh, Rotherham, Yorkshire, and Britain for the future.

PROMOTING BRITISH VALUES & LIFE IN MODERN BRITAIN A SCHOOL STATEMENT 2014

We agree with the Department for Education's five-part definition of British Values:

Democracy

The rule of law

Individual liberty

Mutual respect

Tolerance of those of different faiths and beliefs

We believe these British Values are effectively promoted in our school. Thrybergh Primary School understands that there are many different types of community in modern Britain.
