Why I Am Amazing! I Feel Fine!

Over the next two weeks, we will be finding out about how we are similar and how we are different, what makes us special and how we all have feelings, and those feelings can change. We will also be learning about numbers and their qualities.

We have been exploring our facial and body features and using this information to create drawings and models of ourselves.

We have been learning about five frames and how to use them.

We've had lots of fun learning about numbers! We have done lots of ordering numbers 1 to ten, we especially enjoy singing our number song!

We used different resources to build our houses!
