## Head to Toe

*We have learning about how the human body works, the five senses and how we can communicate our feelings with each other. In Maths, we will be building and developing our shape knowledge.*

We have learnt about the brain, lungs, muscles, stomach and heart. We made skeletons, went on a body parts hunts and created an obstacle course to challenge our gross motor skills.

Exploring triangles and circles

We made repeating patterns and went on a shape hunt around the classroom.
